

60" FREESTANDING SIDE-BY-SIDE | SBS 32SO (CS 1601 + CS 1650)

Premium NoFrost

Side-by-Side solutions are extremely popular in kitchen design as they offer both practical and visual advantages. The 60" freestanding stainless steel refrigerator-freezer Side-by-Side combination lets you create and enjoy a spacious oasis of freshness in your kitchen. Separate settings for the units enable you to optimize use for refrigeration and freezing. The front surface of this Side-by-Side combination, made of high quality stainless steel, adds a generous visual accent. New door handles with an integrated opening mechanism ensure the unit's doors are very easy to open with absolutely no use of force.
